

First Presbyterian Church

Established 1784

July 13, 1994

Bunn - Minnick
875 Michigan Avenue
Columbus, Ohio 43215

To Whom It May Concern,

The First Presbyterian church family in Lexington is thrilled with our new Bunn-Minnick chapel organ. The instrument is exciting to listen to and a thrill to play. The design works in tonal harmony and in aesthetic agreement with the architecture of the chapel.

We appreciate the careful consideration Bunn-Minnick gave to the history of the Kimball sanctuary organ, the tastes of the congregation, and the multi-functional uses of the chapel when designing the chapel instrument.

On a personal note, we appreciate the professionalism and collegiality of the Bunn-Minnick personnel. It continues to be a pleasure to work with you.

Sincerely,

Martha S.P. Anderson, Organist

Gary L. Anderson, Director of Music
