Dear Phil, Bob, Lillian & all,

Just a note to let you know that our (your) B-M organ performed magnificently for our festival service celebrating the Lutheran Merger.

What a joy to hear such a fine instrument used to its fullest measure!

The stained glass window, located on the west side of St. John's Lutheran Church, New Washington, Ohio, is entitled: "Of Such Is The Kingdom of God." It was a gift from the Sunday School department when the church was built in 1896. It was furnished by Flanagan & Biedeweg Company, Chicago, Ill.

How thankful we at St John's have been this past year to have re-vitalized our church with a new organ and a newly decorated sanctuary.

"It doesn't get any better than this."

Sincerely,
Janet High
