Philip D Minnick
Bunn-Minnick Pipe Organ
875 Michigan Avenue
Columbus, Ohio 43215-1108

Mr. Minnick:

For 75 years, the Moeller Pipe Organ at St. John's Lutheran Church in Grove City, Ohio has served our Lord and this congregation with the grace and dignity befitting the 'King of Instruments'. It has been my honor to play this instrument as full time/substitute organist for over 50 years, so when the decision was made by the congregational leaders to authorize and complete the renovation, you can appreciate both my enthusiasm and my anxiety.

The renovation extended beyond the removal, cleaning, and re-voicing of all existing pipes but to include the addition of five new ranks. I looked forward to the colorful addition to the pedal organ, hoping it would improve the volume and tone, not to mention the coupling features to both the Great and Swell manuals. Thanks to your suggestions and recommendations, the results exceeded my expectations.

On behalf of St. John's, and those in the Central Ohio community who enjoy fine organ music, I would like to thank you and your associates for the caring cooperation and excellent craftsmanship provided during this renovation. Your expertise is evident, and St. John's will benefit in music and worship for decades to come.

Warm Regards

Harry R. Miller
Organist Emeritus
St. John's Lutheran Church
