Dear Mr. Minnick:

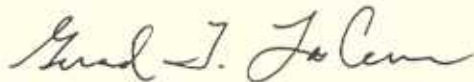

On behalf of the Cathedral of St. Mary I wish to convey our appreciation for your accomplishment in rebuilding and enlarging our pipe organ.

One of our responsibilities as the "Mother Church" of the Archdiocese is to encourage and promote good liturgy. As music is essential in our worship setting, the organ has become a source of inspiration to all who hear it.

We are also very proud to have one of the finest concert instruments in south-east Florida. While I am not a musician, I must admit that I was thrilled with Marianne Webb's inaugural recital and am looking forward to a continued series of concerts. May God continue to bless you in your ministry.

With every best wish, I am,

Sincerely yours in Christ,

Very Reverend Gerard T. La Cerra, V.G.
Rector
