32 Untersatz Reversible, Piston & Toe Stud
32 Bombarde Reversible, Piston & Toe Stud

THE ORGAN FAÇADE

The organ façade was retained from the church's 1910 A. J. Schantz organ when the Estey Organ Company, Brattleboro, Vermont, installed a new organ of 14 ranks behind that façade in 1926. It is unknown when the original 1910 decoration was first covered with several layers of gold paint. The façade you see today is a sympathetic restoration by Bunn=Minnick of the 1910 decoration, the primary difference being the current choice of colors selected to coordinate with the present sanctuary color scheme.
